Dear Parent,

Enclosed is an information and registration form for
St. Raphael's Summer Camp 2016.

This summer we are 'blasting off' on our 21st years of Summer Camp here at St. Raphael's! We have many events planned for *out of this world* fun!

Registration will begin March 14 and will continue throughout the summer if space permits. Due to the shorter summer, this year camp will run for six weeks from June 13 through July 22, 2016. St. Raphael's Summer Camp continues to offer a quality program with a limited number of campers to preserve the low child to staff ratio as well as offering these services in a private school atmosphere. We off experienced, qualified adult teaching staff supervising the children. Educational structured groups, field trips, swimming, crafts and so much more.

If you have a new student entering St. Raphael's school in the fall, this is a great way for your child to meet others from the school and get to know some of the staff and the campus at our school. If your child is a former camper than you know what a rewarding and fun experience our camp can be and invite you to return again.

If you find the need for Summer Camp this year, I hope you will consider letting us meet those needs. If you would like to register your child for this summer, please fill out the enclosed forms, attach the registration fee, and forward to the address above or drop off in the school or church office.

If you do not need our services this summer, I welcome you to pass along this information to someone you know who may be interested in utilizing our program.

Thank you for your interest in our program and please feel free to contact me if you have any questions or need additional information.
